COMPETITION DETAILS

Competition rules

1. For the European Master Games in badminton, your age is determined as at 31 December 2023. Minimum age is 35 (born on or before 31 December 1988).
2. Each player can register for 4 **events** in badminton (singles/doubles/mixed doubles/mixed team event).
3. The Badminton Organizing Committee reserves the right to regroup participants in the age category beneath players' age category. Where there are insufficient entries in an age category or division, the categories may be combined in order to conduct a viable competition.
4. Singles: the player can register in their corresponding age category or any lower age categories (e.g. a 47 year old may register for categories 45+, 40+ or 35+).
5. Doubles/Mixed Doubles: Pairs can register for the age category corresponding with the youngest player or any lower age category (e.g. a pair with a 42 and 54 year old player can register for categories 40+, 35+).

6. All three individual events must be played in the same grade division: Open or Competitive.
7. Mixed Team Event age category whole team's age category is based on the youngest player's age category. Placement on Grade A and Grade B is based on the highest-grade category of the team's players.
8. If an individual athlete without a team wishes to play in the team event, please specify this when entering through the Games Registration system and the Badminton Organizing Committee will do their best to accommodate all requests.

Grade definitions

Single, Doubles, Mixed Doubles and Mixed Team Events:

A Grade: Open - For elite players who have competed at an international or national team level and for national, state or provincial master's champions. Players are advised to register to grade that they deem appropriate to them according to information given here. In Finland, players of levels V and A participate in Open grade competition. Grading from other nations is based on available national rankings and on results of international and national competition when possible. The organizing committee makes checks to grade registrations and presents grading to the Referee of the tournament. Referee decides grading based on suggestions from the organizing committee.

B Grade: Competitive - For competitive players who have competed in state or provincial championships, elite club players and upper and middle grade local and interclub players. Players are advised to register to grade that they deem appropriate to them according to information given here. In Finland, players of levels B and C and advanced recreational players. Grading from other nations is based on available national rankings and on results of international and national competition when possible. The organizing committee makes checks to grade registrations and presents grading to the Referee of the tournament. Referee decides grading based on suggestions from the organizing committee.

Note: in Mixed Team Event placement on Grade A and Grade B is based on the highest-grade category of the team's players.

Players entering doubles or mixed doubles events must enter the grade of the higher level player in the pair. The Badminton Organizing Committee reserves the right to re-grade athletes.

COMPETITION FORMAT

9. Each event will consist of one pool stage followed by a cup stage for awarding medals.
10. For each category there will be 2 sorting per pool which assures that each player will have a minimum of 2 matches to play. If there are 4-5 entries, the playing format will be pool stage only.
11. Semi-finalists and finalists will be awarded with medals, there is no match for 3rd place.

COMPETITION RULES

12. Each player should present themselves at the score table when their name is called and will have 2 minutes on the match court for warm up before the start of the match.

13. Any player who does not go when their name is called will be disqualified if they do not appear within 5 minutes of their name first being called.

14. The minimum rest time between each match is 30 minutes.

15. Players who wish to momentarily leave the hall should be aware of the possibility of being disqualified if their match is called and they are not present.

offered in two divisions: Open and Competitive. Mixed Team Event is a separate competition format in the EMG 2023.

18. The four events can be one singles, one doubles, one mixed doubles and one mixed team event.

19. Round robin (pool play) preliminary rounds will be held. Where there is more than one pool, these pools will determine the placings for knockout rounds for medals. Players can expect to compete in a minimum of two matches per event.

Match schedule

Match schedule 20. The Badminton Organizing Committee shall post the draw two weeks prior to the start of the competition on the Games website, the Tournament Software website which is updated daily. Time schedule of the tournament will be published one week before the start of the tournament. Possible changes of the schedule will be published daily (for example, in cases of walk over etc.) It will be the responsibility of all athletes to ensure they have checked the draws and are available to play at the scheduled time and location.

Process to determine pool placings

The following process will be used to determine pool placings

21. Ranking in individual championships will be established by the number of matches won.

22. If two players / pairs have won the same number of matches, the winner of the match between them will be ranked higher.

23. If three or more players / pairs have won the same number of matches, ranking will be established by the difference between total games won and total games lost, with greater difference ranked higher.

24. If this still leaves two players / pairs equal, the winner of the match between them will be ranked higher.

25. If three or more players / pairs have won the same number of matches and are equal in the difference between total games won and total games lost,

ranking will be established by the difference between total points won and total points lost, with greater difference ranked higher.

26. If this still leaves two players / pairs equal, the winner of the match between them will be ranked higher.

27. If three or more players / pairs are still equal, then ranking will be established by drawing lots.

28. All results of any player/pair that has been disqualified or withdrawn shall be deleted.

Results

29. Umpires or players or persons showing points shall deliver the original tie sheet for each tie to event control within 5 minutes of the official finishing time.

30. Players should ensure that following the completion of each match the score sheet is submitted to event control within 5 minutes of the conclusion of the match.

31. Players should check the Results Board after each match to ensure that the result is correct. Any concerns should be reported immediately to event control.

a) No player may play in more than three matches in any one tie.

b) Teams may play a maximum of three ties per day.

c) Each player must play at least one match in every tie.

Group stage

66. In the group stage the teams shall play in groups of three or four, where teams play all other teams in the same group playing in pool format. An overall ranking order in the group shall be achieved. If there are three to five teams, then there will be only pool format competition and the winner is based on these matches only.

67. The top 2 ranked teams of each group shall progress to the knock-out stage.

68. Ranking order in the groups:

69. If two teams have won the same number of ties, the ranking will be decided by the result of the tie between them.

70. If three or more teams have won the same number of ties, ranking will be decided by the total number of matches won. If this leaves two teams equal, ranking will be decided by the result of the tie between them.

71. If three or more teams have won the same number of ties and the same number of matches, ranking will be decided by the difference between total games won and total games lost, with greater difference ranked higher. If this leaves two teams equal, ranking will be decided by the result of the tie between them.

72. If three or more teams have won the same number of ties and the same number of matches and have the same difference between total games won and total games lost, ranking will be decided by the difference between total points won and total points lost, with greater difference ranked higher. If this leaves two teams equal, ranking will be decided by the result of the tie between them.

73. If three or more teams have won the same number of ties and the same number of matches, have the same difference between total games won and total games lost, and have the same difference between total points won and total points lost, ranking will be decided by drawing lots.

74. A conceded match shall count as if completed without the conceding side scoring another point.

75. All results of any team that has been disqualified or withdrawn shall be entirely deleted.

Knock-out stage

76. The draw for the knock-out stage shall be conducted at a Team Managers' Meeting held immediately after the conclusion of the group stage.

77. The knock-out stage shall be a knock-out draw with winning teams progressing to the next round until a winner is found.

78. Knock-out stage draw procedure

79. The winner of group 1 will be placed as first seed in the knock-out draw.

80. The winner of group 2 will be placed as second seed in the knock-out draw.

81. The two teams finishing second in the groups will be drawn into the knock-out draw on a random basis.

CONSTITUTION OF MATCHES AND TEAMS

82. Each tie shall be decided by the results of the two singles and three doubles matches.

83. In the group stage all five matches of each tie shall be played.

84. In the knock-out stage each tie shall be stopped when the tie is decided.

85. No player shall play in more than three matches.

86. If, as a result of injury or illness sustained after arrival at the venue, a team has only one male or one female player, that player may play his/her respective matches.

87. If, for the above reasons, the team is reduced to two players only, either both of the same gender, or one of each gender, the whole tie shall be conceded.

88. Unless otherwise permitted by the Referee, all ties shall start at the times as set in the draw. All named members in a tie must be in the pre-tie team line-up. Teams not available to play 15 mins after the scheduled playing time may be defaulted.

Results

89. Team Captains or the Umpire or point-marking-person shall deliver the original tie sheet for each tie to event control within 5 minutes of the official finishing time.

90. Tie sheets must be signed by the captain of each team, who will be responsible for the accuracy and completion of all details.

91. Captains should check the Results Board after each tie to ensure that the declared result is correct. Any concerns should be reported immediately to event control. viii) Pool placings

92. A team is entitled to medals according to results actually obtained before any withdrawal or disqualification

93. If a team is unable to complete all of their pool ties, all the results of that team shall be deleted.

94. If a team is unable to complete a match in a tie, the result of that match shall be considered to be 21-0, 21-0 for the purpose of deciding ranking in the pool system. Retiring during a match shall be considered to be not completing a match. ix) Substitutions / Withdrawals

95. Once a team composition is submitted, no player/pair can be substituted, except the Referee may approve a substitute (or substitutes) for a player who, in the opinion of the Referee is incapacitated by illness, injury or unavoidable hindrance. A player who is substituted may take no further part in that tie.

96. A match conceded due to illness, injury, or other unavoidable hindrance shall count as if completed without the conceding side scoring another point. - All results of any team that has been disqualified or withdrawn before completing the group matches shall be deleted.

Please note: All regulation conditions concerning categories, venues, the running of the competition and technical aspects are applied on a provisional basis and are subject to change when and how the Organizing Committee sees appropriate, up until the beginning of the competition.

Competition format

Events (4 disciplines): Singles, Doubles, Mixed-Doubles, Mixed Team Event
